10. Statement of purpose: I would be privileged to serve as President-Elect for South Carolina's Academy of Nutrition and Dietetics. I have served on the Charleston Trident Dietetic Association board for 2 years and have acquired knowledge of networking, professional education, diversity and inclusion; and advocacy with this organization. My 10 years of food service management experience has taught me valuable skills including team building, conflict resolution, resourcefulness, and much more. My goal as President-Elect is to be an advocate for dietitians in South Carolina. Thank you for this opportunity!
