9. Publications: I publish nutrition articles and recipes on my website blog www.JenniferHuntNutrition.com. I have been quoted and had my recipes published on many dietitian websites. Last week I contributed to an article by Janelle Davis, Senior Producer, CNN regarding egg nutrition and differentiating the types of eggs that can be purchased in the grocery store and farmer's market (estimated publication date is the week of February 12, 2023).

10. Statement of purpose: My heart and passion is to help women nourish their body, feed their families well and love the woman staring back in the mirror. I believe that when women tune into their own body cues, grow in understanding of food, and uncover the ways they relate to food, they then are able to make food choices with more confidence, for themselves and their family.
