10. Statement of purpose:

My purpose for pursuing the Affiliate Delegate position is to represent the South Carolina RDs, DTRS, dietetic interns, and dietetic students and make our members' voice heard on the national level. After serving as SCAND President and making membership my priority, this is my next foreseeable step in helping make an impact on our profession. I would use this position to give our state members an active participation in the decisions the Academy makes. I would also keep the membership informed on what topics are being discussed, what helpful feedback they can provide, etc. Thank you for this opportunity!
